## Overview

In this work, we process more than 20M emails to understand the change in structure and language of a company which has gone through a horizontal merger, but each element is intended to operate separately.

We find that:

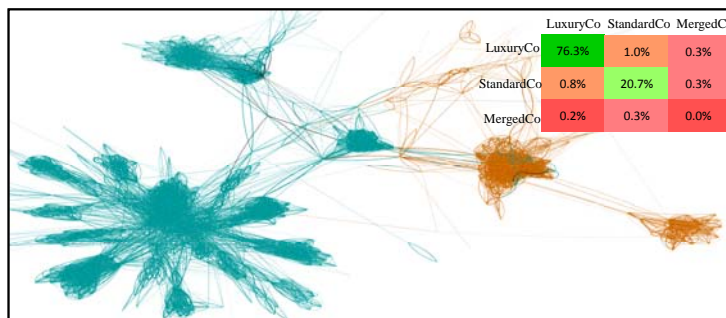

- Structurally, the organization is slowly merging
- In content, each organization retains distinct language

## Summary

## Structural Analysis

■ LuxuryCo   
 ■ StandardCo   
 ■ MergedCo

Early 2013 – 155,323 Emails

Late 2013 – 478,440 Emails

2014 – 723,029 Emails

## Content Analysis

Early 2013 – 1,112,214 Tokens

Late 2013 – 3,119,731 Tokens

2014 – 3,481,251 Tokens
